INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the enclosed Form PTO-1449, copies of which are enclosed, with the exception of U.S. patent application publications.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is material to patentability.

XU et al. (*China J. Cancer Prev. Treat.* 10(4):423-426 (2003)) and YANG et al. (*Chin. J. Microbiol. Immunol.* 23(4):275-278 (2003)) are written in the Chinese language, except for the English language abstract. The English language abstracts are being submitted as an explanation of the relevance of these references.

The Journal of Dalian Medical College 7(3): 73-78 (1985) reference is written in

the Chinese language. An English language translation of page 75, lines 16-24, which were cited by the Examiner in corresponding Chinese applications (CN 200580028403.6 and 200580028404.0) is being submitted as an explanation of the relevance of this reference.

This statement is being filed with a Request for Continued Examination under 37 C.F.R. § 1.114.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 21 September 2009
